## Bikes on Buses

You will find bike racks on the front exterior of all Jefferson Transit buses. The rack holds up to two single seat, two-wheeled, non-motorized bicycles. Cyclists secure their bicycles independently of one another. Whether going to work, school or play, you and your bike can ride the bus! Regular fares apply for each passenger. Your bike rides FREE!

## How to Start

For safety reasons you must obtain a permit to use the bike racks. The permit tells the bus operator that you know the proper way to secure your bike on the rack.

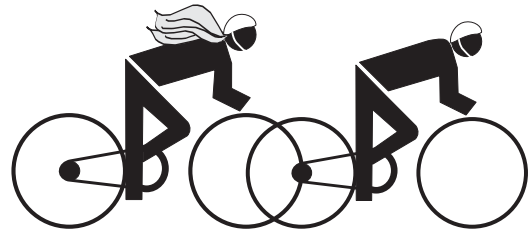

Permit procedures:

- **Come to a JeT office** - Eastbank or Westbank
- **Bring valid picture identification**
- **View a short training video**
- **Practice mounting a bike on a bike rack**
- **Sign a waiver** that tells Jefferson Transit you assume responsibility for safely loading and unloading your bicycle.
- **Pick up the permit**

You must show your permit to the bus operator whenever you ride the bus with your bike. We have streamlined the permit process so that you can leave with your free permit in less than 30 minutes!

Only cyclists 14 years of age or older can receive a permit. Children under 14 years of age may travel with an adult who has a permit; however, the adult must load the bicycle. A parent or guardian must sign the waiver for anyone under 18 years of age. The permit issued to you cannot be used by another cyclist.

One of our staff will be happy to assist you at one of our Transit Office Locations between 10 AM and 2 PM, Monday through Friday, or by appointment.

**All buses are ADA accessible.** (Bus will kneel or lift will be deployed upon request)

## Half Fare Cards

The half fare card allows you to ride JeT buses for half price. This includes regular bus fares and transfers.
