Would you like to save money on the cost of your daily commute?

Jefferson Transit offers monthly passes, and under federal law employers can provide these passes as a benefit that saves real money for both employees and employers.

Workers receive one of the following:

- Monthly funds in employer-paid tax-free transit costs
- A tax-sheltered payroll deduction for transit costs
- Funds in a combination of both the above

The JeT VIP Monthly Pass allows unlimited rides and transfers on all JeT routes for the calendar month. Also, since it only costs \$60 you can use the tax incentives to purchase a RTA monthly pass in addition to the JeT VIP Monthly Pass, and easily transfer between the two public transit systems. If you would like us to contact your employer about these tax benefits please call 504-364-3450 or email information@jeffersontransit.org.
